

## Alumni Teachers – get out there with your school on a Raleigh expedition!

Are you aware that in addition to our main expeditions, Raleigh organises group expeditions for schools, colleges, youth membership organisations and local authorities?

These expeditions usually last 3-5 weeks and are tailored to the specific needs of the students, often with a focus on developing cultural awareness and personal development.

In addition to the tailor-made expeditions, we offer a Global Citizenship and Leadership Programme. This is an 18 month programme for sixth form students which has been designed in response to the government and education agenda around improving global learning and community cohesion. The programme aims to facilitate schools in embedding an ethos that develops passionate, responsible, socio-cultural and globally aware students, enabling them to flourish in an increasingly global marketplace.

The core elements of the programme are as follows:

<p><b>Four day pre-expedition activity</b> Autumn Year 12</p> <p>Programme includes following components:</p> <ul style="list-style-type: none"><li>• Volunteering</li><li>• Cultural Awareness</li><li>• Leadership</li><li>• Adventure Challenge</li></ul>	<p><b>Three week expedition to India, Borneo or Costa Rica</b> Summer Year 12</p> <p>Cultural immersion &amp; challenging an individual's personal barriers, beliefs &amp; assumptions</p>	<p><b>One day mentoring &amp; facilitation</b> Autumn Year 13</p> <p>'Integrating Personal Growth / Global Learning into Everyday Life'</p>	<p><b>Raleigh's alumni programme</b> Throughout Year 13</p> <p>Making a difference on your return through volunteering and mentoring activities</p>
