

Borneo Summer 10 Week Expedition 10D – Recommended flight details

Venturers have to arrange their own travel to Borneo.

The following flight is the ‘recommended’ flight based on time for those of you who may like to catch the same flight.

You are welcome to look around and buy any flight you wish, providing you are at the airport in Kota Kinabalu to meet the recommended flight detailed below by **12:35 local time in Terminal 1 on the 3rd July 2010**. It is imperative that we pick everyone up together at this time.

The airline we have recommended is Malaysian Airlines – in our experience, they have been comfortable, reliable and include enough time to make the connecting flight in Kuala Lumpur.

Outward – 2nd July 2010
