

Financial assistance for new Raleigh support groups

We understand that costs are involved in setting up new support groups and that incidentals can add up. We don't want you to be out of pocket which is why we now offer financial assistance to new support groups.

New support groups are entitled to a grant of £200 to get you going. You can use this money to purchase stationary or stamps to cover your travel expenses or even to help you set up a fundraising event for your group.

Start up grants are currently limited to £200 so make sure you think carefully about how you want to use yours. You can either apply for the £200 in a lump sum or in instalments throughout your group's first year. If you would like to apply for a grant, please complete the support group grant form with details of what you will be spending the money on. Once approved we will then issue you with a personal cheque made payable to your Raleigh support group.
