Subject: A Huge Thank You!

Dear Gavin,

Many many thanks to you and all your team at Raleigh India for the wonderful time Flora spent on her expedition with you. What an amazing experience she had, Raleigh came up with all that was promised and more besides. It truly was a life changing experience she had with you, learning so much about herself and making friends for life. What a wonderful group it seems to have been, the memories (with the aid of all the wonderful photos) will stay for ever.

We would particularly like to mention the blog - it was wonderful to see just exactly what they were all up to and appreciate all the hard work you and your team put in to make it such a success. We're getting withdrawal symptoms ourselves, no more going on line to see what everyone is up to!

It was a great privilege to visit you in Mysore and be shown around your wonderful HQ and meet so many of you. We always knew that Flora was in safe hands but that brought home to us just how much time and effort went into achieving this.

May Raleigh India go from strength to strength

Yours sincerely

Tim & Caroline Perry
